

感します。

14日

くん

The image shows a collection of 10 circular photographs of a young child, likely a boy, arranged in two rows of five. Each photograph is partially obscured by a large, bright yellow five-pointed star. The photos are set against a background of a pink and blue grid. The text '感します。' is on the left, '14日' is in the center, and 'くん' is on the right.
